**NETMAGE 08
international live-media festival - 8th edition**

24>26 January 2008 - Bologna

+

31 January>3 February 2008 - Ferrara

Netmage 08, an **international festival** whose aim is of exploring **media innovation** in the context of **electronic arts**, will take place in its eighth edition in **Bologna** from January 24th to 26th, and in **Ferrara** from January 31st to February 3rd.

Netmage 08, focusing on **multi-media design**, **live media acts** and a **cutting-edge styles**, will constitute a meeting point for video-makers, multi-media and visual artists, musicians and performers from Europe, Asia and both South and North America.

In its ongoing investigation, *Netmage 08* will present some of the latest trends in live media. Together with a research on essential aspects of **perception** and the **intersection of visual and acoustic phenomena**, the festival will introduce a very **wide range of approaches**.

The festival, held in the historic castle of Palazzo Re Enzo in Bologna, will consist of a weekend featuring **live-cinema**, **performances**, **mixed media**, **installations** and a series of **special events**, and will continue in Ferrara's main square with an open air sound-installation.
