**From the 21st to the 29th April 2006** Xing presents in Bologna the 6th edition of the Festival Internazionale sullo Spettacolo Contemporaneo (International Festival of Contemporary Performance), entitled **Figura N°** (Figure No.).

F.I.S.Co. showcases the most representative examples of the convergence taking place across the **contemporary arts (dance, visual and plastic arts, theatre, performance)** and gives pride of place to the peak of advanced international research.

F.I.S.Co. offers a crossover program of **performances, shows, video/sound installations, screenings** taking place at the Bologna Modern Art Gallery. Fabrica Features will host a video-installation for the whole festival in the very centre of town.

The Festival has a different title for every edition, in order to underline his constant search for the most innovative on the international art scene. The 2006 edition, **Figura N°**, investigates the Figure, the enigmatic relationships between the two- and three-dimensional in scenic arts (i.e. in tableaux vivants), the concept of flat time on one side and tactile gaze on the other, presenting a series of international artworks that question visual perception through today's iconography and archetypes.

**Figura N°** will host works by: **Jonathan Burrows/Matteo Fargion** (UK), **Stoa - scuola di movimento fisico e filosofico della Societas Raffaello Sanzio** (I), **Compagnie 7273** (CH/F), **Loïc Touzé/Latifa Laâbissi>Compagnie 391** (F), **Mette Edvardsen** (N), **Kinkaleri** (I), **Robin Rhode** (South Africa), **Absalon** (Israel), **Édouard Levé** (F), **Alessandro Bosetti** (I/D).

So far **5 editions** of the festival have taken place: *CORPO SOTTILE* (2001), *NON IO (arte in mancanza di soggetto)* (2002), *DOING* (2003), *YOUR PRIVATE SKY* (2004), *DEFICIT!* (2005). A book has also been published: *CORPO SOTTILE* (Ubulibri edizioni, 2003) devoted to new choreographic trends in Europe. For *FIGURA N°* a catalogue with unpublished material will be produced.

F.I.S.Co. is conceived and created by **Xing**, a cultural network based in Bologna and Milan with the purpose of planning, supporting and promoting products and events characterized by an interdisciplinary approach toward the issues of contemporary culture.
