CREATIVE AND INNOVATIVE IMAGES ON ART, MEDIA, COMMUNICATION
international festival - 3rd edition

INTERNATIONAL LIVEMEDIA CONTEST
NETMAGE/DIESEL AWARD

Bologna January 22nd - 25th 2003

From the 22nd to the 25th of January 2003, the city of Bologna will host the third edition of **Netmage**, an **international festival** aimed to explore **media innovation** within the context of **contemporary visual art**.

Netmage 03, focussing on **multi-media design**, **live media acts** (sound and images played live with an audience) and **cutting-edge styling**, will work as a meeting point for multi-media artists, vjs, musicians, performers from all over Europe, USA, Japan.

The festival, spread in different locations throughout the city, will include a **LiveMedia International Contest** with artists selected for the **Netmage Diesel award 2003**, **performances**, **installations**, **new productions**, a series of **special events** featuring international guests performing live electronic music along with an innovative use of images, and a series of afternoon **workshops**. The audience will also have **access to a special library containing** materials related to artists and guests.

Netmage was conceived and created by **Xing**, a cultural network operating between Bologna, Milan, Rome and Paris with the purpose of planning, supporting and promoting products and events characterized by an interdisciplinary approach toward the issues of contemporary culture.
